October 7, 2004

Temecula

PREPARING FOR THE SURGE

About The Conference

The 7th Annual California Statewide Medical & Health Disaster Management Conference 2004 is designed to unite government and healthcare emergency management planners in building a coordinated response to “mass casualty” emergencies, and to prepare for the resulting surge of patients and worried-well, through informative and interactive presentations.

This year’s series of one-day conferences offers attendees the opportunity to learn about the probability of mass casualties disasters and prepare for their management. The Conference will focus on the impact to the medical and health infrastructure and the necessary mitigation, preparedness, response, and recovery.

The Objectives

- At the completion of this activity, the participants will be able to:*
- Identify the elements of a mass casualty emergency management plan
 - Discuss the effects of these disasters on the mental health of victims, healthcare professionals and responders
 - Identify strategies to protect your facility as a primary or secondary target
 - Articulate the importance of preparing the organization for the patient surge that will follow these types of disasters and emergencies
 - Discuss the facility evacuation strategies and the expansion of facilities to accommodate surge capacity
 - Plan for the November 18, 2004 California Statewide Medical & Health Disaster Exercise

Supporting Organizations

The California Medical & Health Disaster Management Conference Steering Committee invites you to attend its 7th annual conference. This conference is presented for continuing medical education (CME) by the California Medical Association, in joint sponsorship with the Los Angeles County Medical Association, in cooperation with the following organizations:

- California Emergency Medical Services Authority
- California Department of Health Services
- Los Angeles County Emergency Medical Services Agency
- Inland Counties Emergency Medical Agency
- Riverside County Community Health Agency
- Hospital Association of Southern California
- Kaiser Permanente
- Governor's Office of Emergency Services
- Hospital Council of Northern & Central California
- Office of Statewide Health Planning and Development
- TAO Emergency Management Consulting
- R. L. Associates Health & Medical Disaster Consulting
- California Military Department

This conference is approved for 6.0 continuing education hours for RNs by the BRN #13574 and for EMT and Paramedics by the CA EMSA #94-001.

The California Medical Association is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to sponsor continuing education for physicians. The California Medical Association designates this continuing medical education activity for 6.0 credit hours and it may be applied toward the CMA certification in medical education and the AMA Physician's Recognition Award. Each physician should claim only those credit hours that he/ she actually spent in the activity.
